GRADING PANEL - QUICK PROCEDURE

- Brief & organise:** Floor Coordinator briefs the grading panel before every grading and organises/distributes all grading documents.
- Collect & welcome:** Collect your allocated student's grading sheet, acknowledge them and wish them luck.
- Observe & grade:** Watch the full grading. Use the grading sheet as the guide and provide clear, constructive, age- and rank-appropriate feedback.

CONCERNS, OUTCOMES & RE-SITS

Raise concerns immediately: Any safety, conduct, requirement or grading-outcome concern must be brought to the Floor Coordinator immediately. If you are a child or lower-ranked panel assistant, also speak to a higher rank.

Pre-approved students: Every student has been pre-approved by their instructor based on overall progress, physical, mental and spiritual development, and minimum eligibility requirements.

Re-sit decisions: A student must not be told to re-sit by one panel member alone. Any re-sit decision must be made with the Floor Coordinator and the student's instructor. Students can re-sit outstanding requirements at a later date.

Parents & Spectators: Please remain clear of the grading floors and direct any questions or concerns to admin or a Floor Coordinator. Do not interrupt or coach a student during their grading unless directed by the Grading Chantor or Floor Coordinator.
